

### Interested in Volunteering?

The FSRS is always looking for enthusiastic individuals willing to commit a few hours per week to volunteer generally. We are also on the lookout for individuals with a trade or talent to work on short term projects. If you are interested in volunteering please come to the Center for an application.

The FSRS has a program available for our volunteers that enables us to let the volunteer donate money to the charity of their choice based on the number of hours they have worked.

A tax receipt may be provided by the NPO of choice.

The FSRS continues to assist various Non Profit Organizations that seek funding or whose clients need material support with goods from the Store, and to NPO's who Volunteers support. The NPO's and clients are mainly located within the Foothills MD. The Salvage Center, as it is known, is very appreciative of the support you provide to the wider Community through your donations and purchases.

### APPLY FOR FUNDING

We are happy to receive applications for funding from any NPO in the MD of Foothills 31. Applications can be found on our website:

[www.fsronline.com](http://www.fsronline.com)

## Foothills Salvage & Recycling Society

*Receiver's have the Right to Refuse Any Items, as well to take Any Items that are listed as What We Don't Accept.*

The Foothills Salvage & Recycling Society is a Not For Profit Organization in partnership with the Landfill and the MD of Foothills Commission.

### PURPOSE

***The Salvage Centre exists to reduce the amount of materials going to the Landfill*** by providing a place to drop reusable goods and in turn make these goods available for sale at minimal prices. In doing so the Center generates revenue for the purposes of:

- Recovering the costs of operating
- Helping people who require assistance
- Donating residual income to worthy charities
- Providing employment within the Foothills

### VISION

The Foothills Salvage and Recycling Centre, through saving useable material from the Landfill, is celebrated for its service to the Community and provides a model for Environmental Stewardship.

### MISSION

Over the next 5 years the goal is to continually improve the facility, the operations, the service to the community, and further integrate with waste removal and recovery systems at the Landfill.

## What We Don't Accept

Water Coolers, Air Conditioners  
Fridges, Stoves, Dishwashers, BBQs  
Microwaves, Humidifiers  
Washers, Dryers, Freezers  
Car seats  
Mattresses, Hide-A-Beds, Medical Beds
